

Fertilizer/Pest Technician

Title: Fertilizer/Pest Technician

Job Type: Full-Time, 7-5

Location: Londonderry, Milford, NH

Salary: \$20.00 - \$35.00/Hour Based on experience

Reports to: Routing Manager

Job Summary:

Our mission is *“to combine industry-leading expertise with unmatched customer service, helping your lawn and landscape flourish.”*

We are seeking a detail-oriented Fertilizer/Pest Technician to join our growing team. In this role, you will be the primary steward of our client’s landscapes, applying professional-grade fertilizers, pesticides, and soil treatments. You aren’t just “spraying lawns”-you are a turf health expert responsible for diagnosing issues, executing precise applications, and ensuring our customers landscapes thrive.

Key Responsibilities:

- Apply fertilizers, pesticides, and herbicides according to industry standards, strict safety regulations, and environmental best practices
- Inspect turf and ornamental landscapes for nutrient deficiencies, pest infestations, or disease; recommend tailored treatment plans based on soil analysis
- Operate, calibrate, and maintain high-end sprayers, spreaders, and specialized application machinery
- Maintain rigorous safety protocols for chemical handling, storage, and transport, ensuring zero contamination or waste
- Act as a professional point of contact for clients to explain treatment schedules and the “why” behind their lawn’s progress
- Partner with the Routing Manager to assist in the ordering, storage, and auditing fo chemical and fertilizer inventory
- Other duties as deemed by needs of the business

Qualifications & Skills:

- Experience in landscaping, agriculture, and/or turf management

- Applied knowledge of fertilizers, pesticides, and application techniques
- Active NH Licenses including G1, G2, and Right of Way
- Valid Driver's License
- Strong attention to detail and the ability to adhere to safety guidelines
- Physical stamina to work outdoors in various weather conditions, and lift 50+ pounds

Benefits:

- Competitive pay based on experience
- Opportunities for growth and advancement
- Comprehensive training provided
- Generous medical benefits, with employers paying 50% for an individual on our plan
- 401K with 6% match after one year of employment
- Profit Sharing Bonus after a minimum of 1 year of employment
- State-of-the-art equipment
